# Introduction

Situated in the heart of Lancashire, Tetrad has been creating quality handcrafted sofas & chairs for 50 years.

The famous Harris Tweed cloth has been handwoven in the Outer Hebrides for many generations, the iconic Orb and Maltese Cross trademark being introduced in 1910. Its enduring appeal, favoured by Royals & designers alike, is now thanks to Tetrad available on a comprehensive range of upholstery.

Our furniture begins with a hand built traditional hardwood frame and fully coil sprung seat platform, each model is then skillfully upholstered by one of our time served craftsmen. The end result being a heritage piece that will become 'an heirloom of the future'.

*Située au coeur du Lancashire, au Nord-Ouest de l'Angleterre à Preston, la société Tetrad fondée il y a près de 50 ans, est renommée pour sa production artisanale de sièges de qualité.*

*Le célèbre textile Harris Tweed tissé mains dans les îles Hébrides extérieures depuis des générations est reconnu par son label introduit en 1910: un globe avec une croix de Malte avec les mots "Harris Tweed". Son attrait intemporel, favorisé par la Famille Royale et les designers, est désormais également disponible dans une collection de sièges grâce à Tetrad.*

*Nos sièges, en bois massif avec devanture suspendue, sont individuellement et habilement fabriqués de manière traditionnelle par nos tapissiers. Le produit final est un patrimoine qui sera passé de génération en génération.*

*Im Herzen von Lancashire produziert Tetrad in Handarbeit seit fast 50 Jahren qualitativ hochwertige Sofas und Sessel.*

*Der berühmte Harris Tweed Stoff wird seit Generationen in den äusseren Hebriden gewebt. 1910 wurde das ikonische Markenzeichen in Form von Kreis und Malteser Kreuz eingeführt. Sein andauernder Appeal, von Royals und Designern gleichermassen favorisiert, ist nun dank Tetrad auf einer umfassenden Polstermöbelkollektion erhältlich.*

*Unsere Möbel haben traditionelle Massivholzrahmen sowie voll sprunggefederte Sitzflächen. Jedes Modell wird von fachkundigen und erfahrenen Polsterern bearbeitet, mit dem Resultat, dass Sie ein Sofa erwerben, welches durchaus ein zukünftiges Erbstück werden kann.*

## General Information

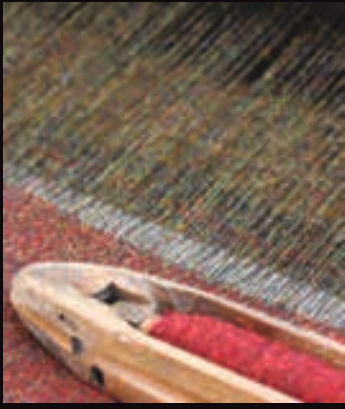

All dimensions are in centimetres and are approximate (primarily due to the overhang of seat cushions which are soft and flexible in construction). Tetrad reserve the right to alter specifications in the interest of improved quality.

Every care has been taken to reproduce the colours as accurately as possible within the tolerances of the print process but to ensure you are certain of your choice we advise you request a sample from us via the website or your local stockist – [www.tetrad.co.uk](http://www.tetrad.co.uk)

Feather Scatter & Cushion fillings – After use your cushions may show signs of compression. For this reason it is recommended that the cushions are “plumped” on a regular basis in order to maintain loft and appearance. It is also recommended that seat cushions where applicable are turned and alternated on a regular basis in order to minimise wear and tear.

All Tetrad full grain leathers and the hand woven Harris Tweed fabrics will vary in colour and texture. Markings in the hide and slubs in the fabric may occur and we regard these as natural characteristics.
